INFORMATION ESTABLISHING PROOF OF OWNERSHIP

The "Certificate of Sale" is to be completed by the seller unless he gives the buyer a "Bill of Sale".

The "Affidavit of Applicant" is to be completed by the purchaser if the seller did not complete the "Certificate of Sale" or the applicant has no other evidence of ownership. Do not complete the "Affidavit of Applicant" if a document showing that the vessel was registered by the applicant in another state is attached.

The Department, if not satisfied with the evidence submitted as proof of ownership, may require additional information or documents. An application to register a vessel which has been registered in another state is to be accompanied by the registration documents issued by that state if available.
